OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

No. 16964
758

Bangalore, 15th April, *191*5.

From

RAO BAHADUR M. SHAMA, RAO, ESQ., M. A.,
Inspector-General of Education in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Secretaryto the Government of
His Highness the Maharaja of Mysore,
Departments of Education and Agriculture,
BANGALORE.

SIR,

I have the honour to inform you that a report has been received to the effect that the gymnastic apparatus and materials now in the Training College, Mysore are so old and unserviceable that it is not possible for the teacners to practise Physical exercise on them. Most of the apparatus and materials being past the state of repair, it is necessary to replace them by new ones. In this connection, I beg to state that it is desirable to provide both for English Gymnastics and Thalim exercises in the Training College as the latter exercises are also very popular. The apparatus and materials required for both kinds of exercises are estimated to cost Rs.1'00 including the cost of transport. As adequate provision for physical exercises in an institution like the raining College, Mysore is essential, I request that Government may be pleased to sanction the inclusion of the lump sum of Rs.1500/- in the State Funds Budget of the next official year - 1915-16 for the ~~xxfx~~ purpose referred to above.

I also request that an additional Gymnastic Instructor on Rs.25 a month may be sanctioned. There is one now on Rs.20. In an institution containing about 400 grown-up pupils who are mostly teachers, it has been found that a single Gymnastic Instructor cannot do sufficient

cient

justice to his work.

I enclose for reference copy of letter No. ~~T.4~~ 1236 dated 31st March 1915 from the Officiating Principal of the Training College.

I have the honour to be,

Sir,

Your most obedient servant,

Assistant to the Inspector General.

For Inspector General

(Absent from station)

Letter No.~~T-4~~. 1236 dated 31st March 1915 from the Officiating Principal, Government Training College, Mysore, to the Inspector General of Education, in Mysore, Bangalore:--

---

In regard to the provision made for Physical Exercise of the Normal Teachers of the College, I have the honour to observe that the apparatuses and materials are all old and unserviceable and as they are quite beyond repair, I have to suggest that they may be disposed of and new ones be substituted. In this connection, I have to remark that this Department has to be brought up to date both in regard to teaching and equipment. I have often heard the remark that the teachers have poor looks about them which I venture to attribute to want of proper exercise. In our institution, the bulk of the Normal Teachers come from the Country side where, both the pupils and their parents would appreciate the "Native Exercises" more than drill or gymnastics on the bars. Moreover the large body of Mahomedan teachers prefer the "Taleem" Gymnastics. Accordingly I beg to propose that the Physical Exercises Department of the College may have two sides with equipement as follows:--

A. ENGLISH GYMNASTICS

	Rs.
2 sets of Parallel Bars	220
1 vaulting horse	50
1 spring board and straw bed	20
2 sets of Horizontal Bars	150
1 ring and trapeez bar	25
with ladder, inclined plane and ropes.	Rs.100 roughly
Masonry work Cross beam and hooks.	Rs.400
Stilts 20 pairs	60
Dummy rifles 40	60
Clubs 40 pairs (4lbs.)	60
Iron Dumb Bells (5lbs) 40	40
Wooden Dumb Bells (2lbs.) ~~12 pairs~~ 40	30

Bar Dumb Bells (6lbs.) 12 pairs	Rs.	30
Drum and Drum Sticks	"	30
Hand Accordian	"	3
Quoits, Pegs etc.,	"	5
Throwing shots 16 lbs. and 20 lbs.	"	10

The total cost of English materials will be about Rs.1200.

B. THALEEM EXERCISES.

	Rs.
2 pairs of heavy karela 15 lbs.	5
12 pairs of clubs 7 lbs. each	27

The total cost of the Indian materials will be about Rs.40.

In estimating the cost of the materials the following catalogues have been consulted with.

Messrs. Oakes & Co., Madras, and Messrs. Bhatia & Sons Sialkot.

In regard to the latter form of exercises, the services of a Native Gymnast on Rs.25/- would be necessary, who will also train the young teachers in the art of wrestling and Jiu Jitsu. In my opinion these things are not luxuries, but are mere necessaries, without which the training, it is easy to perceive, is defective and harmful, in as much as the intellect is trained at the expense of the body.

The expenses involved under these proposals may be incurred out of any funds at the disposal of the Inspector General.

I have to request that early action may be taken.

"C o p y."
